

## Customs clearance

# Checklist for UK and EU transports post-Brexit

This checklist shows all information that will be required to manage your customs declarations after January 1, 2021.

To process your data, our experts have developed a simple automated customs solution, so you can meet any formality which will become compulsory in both the UK and EU. This will ease the pain of data collection and help you move your goods smoothly.

→ [Accelerate your customs declaration process with us and make customs clearance a seamless experience.](#)

## Checklist

<input checked="" type="checkbox"/> REQUIRED	FURTHER INFORMATION	USEFUL LINKS
